Remarks

In the specification, third paragraph of page 4 has been amended to correct Korean-to-English translation problems. The original application had been filed with Korean Patent Office in Korean language and the PCT international application was filed in rough translation.

Claims 1-3 have been amended to correct the translation problems.

Drawing has been amended to add an element 15 omitted in the original application. Replacement Sheet and Annotated Sheet Showing Changes are included in separate sheets.

This preliminary amendment is to primarily correct the translation errors in words, phrases and sentences. No new matters are included.

Applicant now respectfully requests a timely examination of the PCT national stage application in consideration of this preliminary amendment.

Respectfully submitted,

IPLA P.A.
